STEPS THAT SOUND SAFETY

Introducing

Stairs and staircases are defined by more than just their usefulness. These functional devices are also appealing from a style standpoint, since well-appointed staircases are now a distinguishing element in homes, rooms, or halls. Marfil full body Steps and risers are available in a variety of colours and shades to complement your interior and external areas.

FOREST

300x1200mm

A modern architectural staircase with green steps and planter boxes. The staircase is built against a light grey concrete wall. To the right of the steps, there are three levels of planter boxes, each containing various green plants. The ground at the bottom of the stairs is paved with light grey tiles. The overall aesthetic is clean and contemporary.
